St. John Paul II was born Karol Józef Wojtyła on May 18, 1920, in Wadowice, Poland. As a child he experienced great loss, losing his mother when he was just 8 years old, his brother when he was 12 & his father when he was just 20, leaving him without any immediate family.

Karol loved sports, especially soccer, skiing, & hiking, & also enjoyed acting & theater. During World War II, when Nazi Germany occupied Poland, he worked in a quarry & chemical factory while **secretly studying to become a priest**. Despite the dangers of war, his faith continued to grow stronger. He was ordained a priest in 1946, became a bishop in 1958, & named a cardinal in 1967. Throughout these years, he worked closely with young people & families, encouraging them to live lives centered on Christ.

In **October 16, 1978, Karol was elected Pope**, taking the name John Paul II. He became the **first Polish pope in history**, the first non-Italian pope in more than 450 years & at 58, was one of the youngest popes in modern history.

On May 13, 1981, he was **shot in an assassination attempt** in St. Peter's Square. He **survived & visited the man who shot him in prison, offering him forgiveness**. His actions became a powerful example of Christ's teachings about mercy & forgiveness.

During his 26 years as pope, John Paul II **traveled to 129 countries**, spreading the Gospel. He played an important role in **opposing communism**, particularly in his homeland of Poland, & helped inspire peaceful political change throughout Eastern Europe. He also had a special love for young people & **established World Youth Day** in 1985 bringing young Catholics from around the world together to celebrate their faith.

In his later years, he suffered from Parkinson's disease. Despite his declining health, he continued serving the Church, showing the world **an example of faith, perseverance, & courage through suffering**. April 2, 2005, Pope John Paul died at the age of 84 & was mourned by Millions around the world. He was declared a saint April 27th, 2014 by Pope Francis. Today he is remembered as one of the most influential popes in modern history, **whose life was marked by extraordinary faith, courage, compassion, & forgiveness**.
